Worship in a variety of ways • **Welcome** everyone who comes through the doors • **Incorporate** every member into the life of the parish in ways that deepen that person's spiritual life • **Integrate** our spiritual lives within the church into our lives in the world • **Transform** the culture of stewardship. Meet annual operating expenses through increased parishioner giving by 2010 • **Continue** our historic involvement in mission and expand our outreach at local, national and international levels • **Grow** our congregation, reflecting the diversity of New York City • **Support** and train clergy, staff, and lay leadership, empowering them to take risks and be innovative • **Communicate** effectively within and beyond our parish
