

Thanks be to God

for all who are caring for the sick during this COVID-19 pandemic.

for the generosity of parishioners who have made financial commitments for 2021, and for all who share in supporting this parish.

Your prayers are requested

for St. James' on this Homecoming Sunday, that the Holy Spirit would move powerfully in our lives and through our ministries as we begin a new program year.

for all who are affected by coronavirus, through illness or isolation or anxiety, that they may find relief and recovery.

for doctors, nurses and medical researchers, that through their skill and insights many will be restored to health.

for the United States of America, that we would serve the common good with love and humility, honor the dignity of every human being, and acknowledge and confess the sins of racism, police brutality, and the human temptation to violence that harm our siblings in Christ.

for members and friends of the parish who are sick, sorrowful, or in any kind of trouble:

for the Trustees of the Diocese, according to the Diocesan cycle of prayer.

for the Anglican Church of Tanzania, according to the Anglican Communion cycle of prayer.

for our work as stewards of God's creation, that we may use the earth's resources rightly in the service of others, and be mindful of our connection to all living things. We remember especially those impacted by recent natural disasters across the globe.

for all who are persecuted for their faith, including Christians in the Middle East; for all refugees and all who welcome and serve those in need.

for members and friends of the parish serving in the Armed Forces, in the Diplomatic Corps, and with the U.N.: Tracy, Christian, Mads, Michael, Mark.

for the people of Haiti and Afghanistan, that God's presence abides in difficult and uncertain times.

We commend to God's never-failing care

victims of war and violence throughout the world, including all victims of terrorism; all migrants and refugees who have died fleeing danger; and all those killed in the military service of our nation.

those lives lost during the September 11th attacks and all those impacted by the events of that day; may this twentieth anniversary remembrance move us to honor their memory that we may one day be brought through strife to the lasting peace of Christ.

all whom we love but see no more.
